

ATAC Resources Ltd. Unveils new website and exhibits at PDAC 2015

March 2, 2015 – Vancouver, BC - ATAC Resources Ltd. (TSX-V:ATC) (“ATAC”) would like to invite you to view our new website at www.atacresources.com and learn more about our Rackla Gold Project where ATAC is developing Canada’s only Carlin-type gold district in mining friendly Yukon.

In the [2014 Fraser Institute Annual Survey of Mining Companies](#), Yukon ranked #1 worldwide for mineral potential and #9 worldwide for investment attraction.

PDAC 2015

ATAC is exhibiting at the annual [Prospectors and Developers Association of Canada Convention](#) in Toronto from March 1-4 2015 at Booth #2748 in the Investors Exchange. If you are attending the convention, please stop by to visit ATAC’s CEO, Graham Downs for an update on ATAC and the Rackla Gold Project.

About ATAC

ATAC is a Yukon-based exploration company focused on developing Canada's only Carlin-type gold district at its 100% owned Rackla Gold Project. Recent work on the 1,700 sq/km project has resulted in a positive Preliminary Economic Assessment for the Tiger Deposit, drilling of multiple high-grade Carlin-type gold zones and the identification of numerous early-stage gold exploration targets. The Rackla Gold Project has no underlying royalties or third-party interests. ATAC is well financed with approximately \$20 million in its treasury.
